What can the group offer your company?

An influence on the European decision-making process

Membership in all BusinessEurope working groups, which prepare BusinessEurope positions
Through these working groups, contribute to BusinessEurope positions which strongly effects EU policy-making
High-level contacts with the EU institutions (Commissioners, Cabinets, MEPs, Ministers)
Direct contacts with BusinessEurope huge network of member federations
BusinessEurope is the leading advocate for growth and competitiveness at European level, standing up for companies across the continent and actively campaigning on the issues that most influence their performance. We speak for all-sized enterprises in 35 European countries whose national business federations are our direct members.
