MEMBERS

The Minerals Council South Africa represents 78 members or 90% of South African mineral production by value. Its members have interests in a wide range of minerals with many companies mining several minerals.

The total below is more than 78 because many members mine more than one commodity
THE MINING SECTOR IN 2021

employed 458,954 people
contributed R78.1 BILLION in taxes to South Africa
contributed R480.9 BILLION to gross domestic product (GDP)
