IOGP Membership consists of most of the world’s foremost publicly traded, private, and state-owned oil and gas companies. Our Members also include industry associations and upstream service companies.

Together, we are the global voice of our industry, pioneering excellence in safe, efficient, and sustainable energy supply – an enabling partner for a low carbon future.

"Membership of IOGP provides excellent networking and sharing opportunities, and, by avoiding duplication of effort, adds value for our Members."
