Become part of Australia’s largest energy advocacy community, get access to information and a network that will help your business innovate and thrive in a modern energy market. Now more than ever we need to have strong, respectful and insightful advocacy on behalf of all energy users.

**Membership Options**
A wide range of membership options are available to meet the needs and variety of business and industry stakeholders.

**Networking and Events**
Join industry colleagues at unique networking opportunities and highly informative events.

**Advocacy**
Our respectful, evidence based advocacy seeks outcomes that are in the best interests of consumers.
EUAA policy and regulatory experts provide members with timely and informative briefings that highlight issues and propose thoughtful solutions.

By becoming a member, you will be joining the largest energy user advocacy organisation in Australia and become part of the dialogue to deliver a stable and affordable energy supply for all users.

Membership with the EUAA is open to any company with an interest in energy users or issues surrounding energy supply and security in Australia. Fees and voting capacity vary depending on the type of membership, see below or send us an email (euaa@euaa.com.au) to find out more.

Now more than ever we need to have strong, respectful and insightful advocacy on behalf of energy users so a strong EUAA has never been more important.
