Khoa Dao

Chief Executive Officer | Australia Pacific LNG Pty Ltd

Khoa Dao is the Chief Executive Officer of Australia Pacific LNG, a joint venture between Origin Energy, ConocoPhillips and Sinopec based in Brisbane.

Australia Pacific LNG (APLNG) has developed an integrated, two train, coal seam gas to LNG project in Queensland. APLNG is the largest producer of natural gas in eastern Australia, continuing to supply around 30 per cent of the total east coast demand. We are also a major exporter of LNG to Asia, and shipped our 500th LNG cargo in June 2020.

Khoa commenced his role with APLNG in June 2022 and is an Oil & Gas executive with over 30 years of global experience across upstream, midstream, and power.
