## Make the right connections

WindEurope's Membership spans 400+ companies headquartered in over 35 countries, making it the world's largest and most powerful wind energy network.

As a non-profit association, WindEurope is governed by a [Board of Directors](#) composed of Leading Members and organisations elected at a General Assembly.

If you are already a WindEurope Member, log in to the full [Members Directory](#) to see contact details, addresses and more!

Not a member yet? Find out about [becoming a member](#).
