Still need convincing? See what our members think

"We feel that working with the CBI gives us two major benefits. Ideas from other members and the CBI itself, and also the opportunity to talk about Ricoh and to share our story with other members."

"Interactions with business and industry are crucial to almost everything we do as a university. Our partnership with the CBI is very much about listening to what the needs of business are so that we can tune our courses to train the right skills."

"We're really proud to partner with the CBI; we've been one of their strategic partners for the last six years. We're really pleased to be part of the debate."

"We feed the views of our members to policymakers at the Treasury, the Bank of England and the Office of Budget Responsibility so that they can make the right decisions for this country - in terms of what businesses want to see delivered on the ground."

"The strategy for the CBI is very clear, and that is to focus on creating the conditions that will enable business growth and investment in the UK."

Joining is easy. Every business is welcome. Take the leap forward.
