

Trade association memberships

(Membership as of June 30, 2020)

GRI 415-1

In 2019, we contributed more than C\$50,000 and US\$50,000 in membership dues to the following organizations in Canada and the U.S., respectively. Please note that we have only listed our executive-level involvement in these organizations. We also participate in various committees associated with these trade associations.

Organization	Purpose	Examples of our involvement
Canada		
Canada West Foundation	An independent, non-partisan public policy think tank that focuses on the policies that shape the West, and by extension, Canada.	An Enbridge representative is a member of an Advisory Council
Canadian Association of Petroleum Producers	Represents Canada's upstream oil and natural gas industry.	President & CEO serves on the CEO Oil Sands Council
Canadian Chamber of Commerce	Connects businesses from all sectors and regions of the country to advocate for public policies that will foster a strong, competitive economic environment that benefits businesses, communities and families across Canada.	President & CEO serves on advisory committee
Canadian Gas Association	Represents Canada's natural gas distribution industry. Members include distribution companies, transmission companies, equipment manufacturers and other service providers.	Enbridge Gas Vice President serves on the Board
Ontario Energy Association	Represents Ontario's energy sector, serving as a bridge between business, government and other groups to foster common understanding of each other's positions and interests.	Enbridge Executive Vice President, GDS serves on the Board
U.S.		
American Gas Association	Represents more than 200 local energy companies that deliver clean-burning natural gas throughout the U.S.	Committee participation
American Petroleum Institute	As the primary trade association of the oil and natural gas industry, API represents nearly 600 members involved in all aspects of petroleum. Membership in API is open to corporations involved in the oil and natural gas industry or that support the industry.	President & CEO serves on the Executive Committee, Finance Committee and Board
American Wind Energy Association	Represents 1,000 member companies including global leaders in wind power and energy development, turbine manufacturing, and component and service suppliers to promote wind energy as a clean source of electricity for consumers in the U.S. and around the world.	An Enbridge representative is a member of an Advisory Council
Association of Oil Pipe Lines	Represents the interests of owners and operators of liquid pipelines in the U.S.	Executive Vice President & President, LP serves as the Chair of the Board
Interstate Natural Gas Association of America	Advocates regulatory and legislative positions of importance to the natural gas pipeline industry in North America, and initiates industry-wide safety and asset-integrity improvement efforts.	Executive Vice President & President, GTM served as Board Chair in 2019
Pipeline Research Council International	Represents the world's leading pipeline companies, and the vendors, service providers, equipment manufacturers and other organizations supporting our industry.	Vice President, Pipeline Integrity serves on the Board
Texas Pipeline Association	Provides effective advocacy on issues related to pipeline safety, environmental regulations, taxation and legislation and is the primary resource for information regarding the Texas pipeline industry.	Director, Commercial Services serves on the Board
