Wirth was executive vice president of Downstream & Chemicals from 2006 to 2015. Prior to that, he served as president of Global Supply and Trading from 2003 to 2006.

In 2001, Wirth was named president of Marketing for Chevron's Asia/Middle East/Africa business, based in Singapore. He also served on the board of directors for Caltex Australia Limited and GS Caltex Corporation in South Korea.

Wirth serves on the board of directors of Catalyst, the board of directors and executive committee of the American Petroleum Institute, and the executive committee of the International Business Council of the World Economic Forum. He is also a member of The Business Council, the National Petroleum Council, the Business Roundtable, the American Society of Corporate Executives, and the American Heart Association CEO Roundtable.

Wirth joined Chevron in 1982 as a design engineer. He earned a bachelor's degree in chemical engineering from the University of Colorado in 1982.

## We may not see \$100 oil 'for a long time,' says Chevron CEO

January 23, 2020 | CNBC

"Oil markets have really changed over the last decade or so," Mike Wirth, Chairman and CEO of Chevron, told CNBC. "We've moved from a period of time where there was a belief we were approaching peak oil, and now we're in an era of
