

Our approach

Healthier planet

Safe operations

Inclusive society

Energized workforce

Responsible business

Trade association memberships

In 2020, we contributed more than C\$50,000 and US\$50,000 in membership dues to the following organizations in Canada and the U.S., respectively. Please note that we have only listed our executive-level involvement in these organizations. We also participate in various committees associated with these trade associations.

Organization	Purpose	Examples of our involvement
Canada		
Canada West Foundation	An independent, non-partisan public policy think tank that focuses on the policies that shape the West, and by extension, Canada.	Committee participation
Canadian Association of Petroleum Producers	Represents Canada's upstream oil and natural gas industry.	President & CEO serves on the CEO Oil Sands Council
Canadian Chamber of Commerce	Connects businesses from all sectors and regions of the country to advocate for public policies that will foster a strong, competitive economic environment that benefits businesses, communities and families across Canada.	Committee participation
Canadian Gas Association	Represents Canada's natural gas distribution industry. Members include distribution companies, transmission companies, equipment manufacturers and other service providers.	Executive Vice President, GDS serves on the Board
Canadian LNG Alliance	Represents Canada's LNG industry.	Director, Business Development NGL & LNG serves on the Board
Ontario Energy Association	Represents Ontario's energy sector, serving as a bridge between business, government and other groups to foster common understanding of each other's positions and interests.	Executive Vice President, GDS serves on the Board
U.S.		
American Gas Association (AGA)	Represents more than 200 local energy companies that deliver clean-burning natural gas throughout the U.S.	Committee participation
American Petroleum Institute (API)	As the primary trade association of the oil and natural gas industry, API represents nearly 600 members involved in all aspects of petroleum. Membership in API is open to corporations involved in the oil and natural gas industry or that support the industry.	President & CEO serves on the Executive Committee, Finance Committee and Board
American Clean Power (ACP) [Formerly American Wind Energy Assoc. (AWEA)]	Represents 800 member companies including global leaders in wind power and energy development, turbine manufacturing, and component and service suppliers to promote wind energy as a clean source of electricity for consumers in the U.S. and around the world.	Senior Vice President, Strategy and Power serves on the Board
Association of Oil Pipelines (AOPL)	Represents the interests of owners and operators of liquid pipelines in the U.S.	Executive Vice President & President, LP serves as the Chair of the Board
Interstate Natural Gas Association of America	Advocates regulatory and legislative positions of importance to the natural gas pipeline industry in North America, and initiates industry-wide safety and asset-integrity improvement efforts.	Executive Vice President & President, GTM served as Board Chair in 2019
Pipeline Research Council International (PRCI)	Represents the world's leading pipeline companies, and the vendors, service providers, equipment manufacturers and other organizations supporting our industry.	Vice President, Pipeline Integrity serves on the Board
