Enel Group

Claudio Fiorentini, born in Gallarate (VA) in 1964, is **Head of Associations and Stakeholders for Enel Italy**.

Graduated in Economics and Commerce from the Catholic University of Milan, after his first work experience in the field of procurement, in 1991 he joined the Enel Group as Head of Communications and Press for Lombardy, dealing with important image and listing projects. on the stock exchange of Enel Spa. After an international interlude as Enelpower's Communications Director, in 2009 he was appointed to the managerial position for Enel's external and institutional relations in northern Italy.

From 1 June 2018 he is **President of the Confindustria Emilia Energy chain** for the four-year period 2018-2022.
