

David Attwood - Vice President, Americas Gas & Power - Optimization & Trading, ExxonMobil

David Attwood leads the team which markets ExxonMobil's equity gas production into the U.S. gas market with sales of 3 BCFD. The scope of his team includes gas and power sales, purchases, transport, scheduling, optimizations and trading activities.

David joined ExxonMobil in 2000 and moved through a number of commercial roles within the Gas & Power Marketing organization in the U.K., Australia and Qatar.

In 2008, David moved to Houston, TX to be the Gas Marketing Lead for the Central U.S. region and held a number of different leadership positions over the next 4 years as the U.S. gas business and ExxonMobil's organization evolved rapidly.

In 2012, David became the U.S. Equity Crude Sales Manager, based in Fairfax, Va. This was followed by a short assignment back in Houston working on getting greater value from data and analytics across the Downstream Value Chain.

In 2017, David assumed the position of Director, Gas Marketing for XTO Energy (an ExxonMobil affiliate) based in Fort Worth, TX and then moved the team to Houston in 2018. His responsibilities increased in April, 2019 when he assumed his current position with the consolidation of U.S. gas and power activities into a single organization to enable increased focus on value chain integration, optimization and trading.

David is married with 2 children. He holds an M.Sci. Degree in Physics from the University of Birmingham, U.K. and an Executive MBA from the London Business School. In his spare time he enjoys running, cycling and the occasional triathlon.
