ABOUT US

Who Are We

We are the Oil and Gas Association of Tanzania(OGAT).OGAT aims to ensure that there is effective communication between the Government, the Industry and the wider society which will benefit all the players and enhance the contribution of the oil and gas sector in the development of the country.

Our Goal

We at the OGAT do look forward to continued open, and transparent collaboration with Government, the Industry and the wider community.

What We Do

This website is intended to be a space whereby all stakeholders in the Oil and Gas Sector as well as other interested parties/entities may have access to relevant and up-to-date information regarding the work of the Association including information from its individual members.
